

RAIN

REFUGEE AND IMMIGRANT NETWORK
OF THE ALLIANCE

Welcoming

Together, Alliance churches welcoming our global neighbors with the love and compassion of Christ, as He has welcomed us into His Kingdom, is the heart of this network.

Engaging

We focus on equipping our Alliance churches to engage their local global neighbors through English as a Second Language (ESL), secondary resettlement services and other welcoming ministries.

Training

We partner with institutions & organizations to train practitioners worldwide in ministry strategies that address the needs of traumatized refugees and immigrants, and those who serve them.
